Belmont Career Center Students and Families:

We received notification yesterday afternoon that Governor DeWine issued an order mandating that all schools in Ohio be closed for a three-week period. This order is effective Tuesday, March 17th through Friday April 3rd. During this time all school activities will be cancelled. This includes the Belmont Career Center Prom.

The Belmont Career Center staff is working diligently to provide academic access to educate students. This is being accomplished via way of students email, internet or physical copies of assignments. If a student does not have access to internet, please notify the school for hard copies of assignments.

We have a fabulous community and are appreciative of everyone's assistance, cooperation and support as we work through these difficult times. I will be providing updates as more information is released.

Sincerely,

Ryan Caldwell
Principal
