## OPERATING SCENARIOS FOR FACE-TO-FACE INSTRUCTION

**GREEN** - Five days (Monday through Friday) of face-to-face instruction in buildings as traditional as possible while taking all precautions for our staff and students.

**YELLOW** - Students divided into two groups and attending in person for face-to-face instruction 2 days a week and learning remotely 3 days a week.

**RED** - Remote learning for all students.

*Our plan is to open the school year on the Green Level; however, due to possible changes/directives from the Governor and the Harrison County Health Department, we may need to alter our plans. This has been, and continues to be, a very difficult process with many variables. We also understand that it has created a stressful situation for parents and students. We greatly appreciate your patience as we continue to make decisions with your child's best interests in mind.*
