

To All Staff,

The Belmont-Harrison Vocational School District offers eligible employees the opportunity to save for retirement through participation in the 403(b) and/or 457 Plans. Employees may contribute through either pre-tax contributions (Traditional 403(b) or 457) or post-tax contributions (ROTH 403(b) or ROTH 457).

At our Opening Day meeting, we introduced a new VOYA representative who is available to meet with staff. He is now available to assist employees in setting up new VOYA accounts. His contact information and online scheduling link are listed below:
